The Comptr was directed + to debit Govt with 3 Lakhs in July next in adjustment of the overdraft, the remaining 11 Lakhs being debited whenever money is drawn by the Palace Controller during the remaining 11 months and he was asked to report to Govt when such debits exceeded one Lakh in any one month.

The Comptr now submits an estimate shewing the receipts and expenditure of the Palace for 1902-03 and says that the balance available on 1st June '03 would be only Rs 60000 and that the Palace Controller has applied for Rs 40000 more. He solicits sanction to this amount being paid and also requests Govt to ascertain from the Palace Controller whether any large payments will have to be made outside the province & if there be any to sanction that amount also.
